

Central Valley Regional Water Quality Control Board Sacramento Office

SITE CLEANUP LIST Sorted by Facility

Status Key

PA - Preliminary Assessment

FS - Feasibility Study

RI - Remedial Investigation

IRM - Interim Remedial Measure

Phase I RI - Phase One Remedial Investigation

REM - Remediation Underway

Phase II RI - Phase Two Remedial Investigation

Closed - Remediation Completed

Unit Key

SLIC - Facility is a Spills, Leaks, Investigations, and Cleanup (SLIC) site

DOD - Facility is a federal Department of Defense (DOD) site (usually a military installation)

DOE - Facility is a federal Department of Energy (DOE) site

AGT - facility is an Aboveground Tank (AGT) cleanup site

File & Report

Date listed corresponds to the date of latest correspondence (file) or report (report) regarding the site, received by the CVRWQCB or authored by the CVRWQCB, other state agency, or contractor. An "N" means "no", indicating this office has no material of this kind (correspondence or reports) for the site. An "A" means this is an active site.

3rd Quarter 2000

For Public Sale= \$10.00
